Resolved That we tender to him our heartfelt sympathy, and as a loyal organization of defenders of the Union we express our condemnation of the murderous deed, which was as much a blow at the nation as though all the people had been personally to suffer.

Resolved That we rejoice at the glad tidings that there is a prospect of his recovery and we fervently hope that the Good Father of us all may mercifully preserve his life.

Resolved That as this great sorrow is one which is shared by all classes, in all sections, of the land, it may prove a common blessing if it shall result as we believe it will in bringing the American people into a closer bond of loyalty to the country and to each other

Resolved That we tender to Mrs. Garfield, the loving "Unstampridable" wife of our chief Magistrate our kindest regards, and trust that her noble courage may be supplemented with strength equal to the ordeal through which she is called to pass.
